Dear Sirs,

On behalf of Bharatiya Vidya Bhavan, I thank you for presenting the event '*The Parsi Connection*' in our auditorium, at Chowpatty, Mumbai, on 7th December 2014.

Many of us know that the Parsis are an enterprising and friendly people who have done themselves proud and contributed in India's development over centuries. Some of their engagements in cinema are generally known, but highlighting the details of their musical contribution as you so ably did was something that was both entertaining and enlightening for all present.

We also express our gratitude to the gifted artistes Kersi Lord, Burjor Lord, and Homi Mullan all of whom interacted with you on the stage to make the event lively and absorbing.

We look forward to associating with you in the coming years to combine Bhavan's philosophy of promoting India's rich culture, with your enthusiasm for our rich musical traditions.

With regards & best wishes,

(Yogesh Kamdar)
